

## Executive Director – Special Education

As a district of 38,000 students, we take pride in creating a child-centered environment that is warm and welcoming. Located just seven miles north of downtown Denver, Adams 12 Five Star Schools is close to the conveniences of a major city yet far enough to offer the quiet of the suburbs. The five stars represent the five unique communities the district serves: Broomfield, Federal Heights, Northglenn, Thornton, and Westminster. We enjoy 300+ days of sunshine each year, professional sports teams, a diversified and growing economy, and beautiful mountain scenery-right in your own backyard.

Adams 12 Five Star Schools is seeking visionary candidates who possess strong educational leadership skills to support schools, lead a comprehensive vision for teaching and learning and to model the way regarding best practices within the district. Provide senior level, district-wide leadership to schools and other departments in regards to best practice for special education students.

**SUMMARY:** Serves as part of the Learning Services team whose primary responsibilities are to: support schools, lead a comprehensive vision for teaching and learning and to model the way regarding best practices within the district. Provide senior level, district-wide leadership, advocacy and education to schools and other departments in regards to evidenced-based best practice and programming for students with special education needs. The scope of responsibility for this position includes leadership, supervision, guidance and support for all school support staff across special education. Provide leadership for strategic professional development programming, in collaboration with the district professional learning team, for teachers and providers aligned to the District's strategic plan and district-wide beliefs about adult learning. Model strong and effective collaboration, interpersonal and problem-solving skills. Responsible for creating and monitoring budgets and administering functional and compliance areas for special education.

**Education & Experience:**

- Master's degree in special education plus additional coursework required for certification or licensure in educational leadership.
- Minimum of (5) five years of experience in the field of public education, with leadership experience in serving special education programming and students.

\$101,146 – 136,844/year commensurate with experience.
