The Isaac Elementary School District offers a rich history as one of the first founded districts in Arizona and located just west of downtown Phoenix. The 6.2 mile radius K-8 district is home to 10 schools including a preschool campus and services just under 6,200 students. We are dedicated to student success and we know our biggest asset are the people in our District who are committed to improving educational results for our students and are willing to examine a variety of different ways to make those improvements happen. We are a predominantly Latino, 100% Title One School District that is dedicated to student success.
