

Health & Wellness Activity Lounge SPONSORSHIP

For the 4th year at our National Conference on Education, AASA brings our attendees the Health & Wellness Activity Lounge full of “feel-good” activities that are sure to make you smile. Some past activities, (which are always free-of-charge to all attendees) have included: A puppy petting area, electric bike smoothies, chair massages, infused water, grab-and-go granola stations, wack-a-mole game and many more. This sponsorship is fairly turnkey. AASA takes care of securing the activities, and YOU get to enjoy the appreciation and thanks from our attendees, who will be grateful to you as a sponsor.
