LEARN + CONNECT IN A NEW WAY

WELCOME TO YOUR PREVIEW OF THE AASA NATIONAL CONFERENCE ON EDUCATION, VIRTUAL FOR 2021.

The National Conference on Education will be hosted on a user-friendly interactive virtual platform. Simple, intuitive graphics will guide you through the virtual experience.

The two-day conference is designed with the most essential educational content for your district. Three tracks will provide structure to the learning: Social Emotional Learning, Equity and School Reopening/Digital Learning. Sessions will focus on actionable takeaways from inspiring, experienced speakers, and many will have optional chat boxes and live Q&A.

You will also be able to explore a variety of companies in the virtual Exhibit Hall, featuring product videos, digital brochures, messaging functions, live video chat and appointment setting.

Following the event, all approved sessions will be available on demand through the end of 2021, extending the value for your district.
**EVENT SCHEDULE**

Work never stops, especially these days, but taking time out of your busy schedule to attend AASA’s Virtual National Conference on Education – even if only for an hour or two at a time – will give you access to actionable and timely resources, speakers, educational sessions and networking opportunities.

Sessions will be offered live and on demand for 10 months to accommodate your ever-changing schedule.

Here is a schedule at a glance, so you can plan ahead (all times are EST).

**George Couros** is a worldwide leader in the area of innovation and has a focus on innovation as a human endeavor. His belief that meaningful change happens when you first connect to people’s hearts is modeled in his writing and speaking. He has worked with all levels of school, from K-12, as a teacher, technology facilitator, and school and district administrator, and is the author of *The Innovator’s Mindset: Empower Learning, Unleash Talent, and Lead a Culture of Creativity* and his latest book, *Innovate Inside the Box*.

**Priscilla Chan** is co-founder and co-CEO of the Chan Zuckerberg Initiative. As a pediatrician and teacher, Priscilla’s work with patients and students in communities across the Bay Area has informed her desire to make learning more personalized, find new paths to manage and cure disease, and expand opportunity for more people. She is also the founder of The Primary School, which integrates health and education and serves children and families in East Palo Alto and the Belle Haven neighborhood in Menlo Park, California. Priscilla earned her BA in Biology at Harvard University and her MD at University of California, San Francisco (UCSF). She completed her pediatrics training in the UCSF/PLUS Pediatrics Residency.
ATTEND & CONNECT WITH OTHERS

CONFERENCES ARE BETTER WHEN YOU ATTEND THEM WITH FRIENDS. ANY COWORKERS ATTENDING THE AASA NATIONAL CONFERENCE ON EDUCATION?

• Register as a group and save. Discounted rates are available for a minimum of three people from the same school district, when submitted at the same time.
• Make plans to catch up and discuss keynote sessions after the fact or message colleagues throughout about points you found interesting. This interaction can keep you engaged with the content.
• There are networking features built in to the virtual platform that help you build your network, private message other attendees and more.

EDUCATION SESSIONS
While the format of the event has changed, you can expect world-class content focused on three main tracks:

- Social Emotional Learning
- Equity
- School Reopening/Digital Learning

MAKING THE JOB OF SCHOOL SYSTEM LEADERS EASIER
Browse the products, services and technology your schools need most, without having to schedule in-person sales visits. Connect with vendors to fulfill all your business needs in just a few days, and if you miss anyone during the conference, you can go back and visit the booths after the conference has concluded.

The Exhibit Hall is open anytime during the event; also see dedicated hours below:
Thursday, February 18 ........... 2:10 – 2:55pm
Friday, February 19 .............. 1:30 – 2:15pm

EXHIBITOR LIST
For a complete list of participating exhibitors, visit nce.aasa.org/floorplan.

SCHOOL OF THE FUTURE
Learn about out-of-the-box products and services offered by exhibiting companies. All presentations are available on demand during the event.

SOCIAL MEDIA LOUNGE
The Social Media Lounge returns to the NCE Virtual Exhibit Hall this year at #NCE2021! Year after year, AASA has worked with social-savvy superintendents to bring the lounge to life. Take advantage of an insightful session and engage with education leaders who are leading the way on social media.

NETWORKING ED CHATS
Connect with colleagues in small-group forums on the topics that matter most to you. Ed Chats are interactive, lively video discussions focused on a central theme/hot topic. Each video chat will be moderated, and topics include:

• How can SEL help us reach all children and ensure equity during the pandemic?
• What is it like for superintendents to take on a book writing project?
• Policy: state and federal trends
• COVID tools with CDC
• What matters now: engaging students in authentic learning
• Overcoming implementation of SEL
• How do we create an empowered learning network that personalizes learning for every student?
• How is your district moving to a more student-centered learning environment?
• K-12 SEL implementation
• SEL support for staff
• Ready for anything: reimagining our work for future focused learning
• Leadership - the concept of being unfinished
• How is your district tackling equity in STEM education?
• Student engagement marrying the core content with 21st century learning skills
• How do you drive innovation for personalization in these challenging times?
• Strategies to bring personalized adult (staff) learning to scale
• The essential individual element that personalized student plans add to a district’s personalized learning program
• Rethinking assessment as part of the Personalized Learning Journey
• Serving Mental Health Needs in Rural Districts
• District-Wide Suicide Prevention — Kindergarten through 12th Grade
ATTENDING A VIRTUAL CONFERENCE FOR THE FIRST TIME?

KEEP THESE TIPS IN MIND FOR A SUCCESSFUL EXPERIENCE.

✓ FIRST, TURN ON YOUR OUT OF OFFICE. Attending live has huge benefits, such as asking questions of the speaker in real time and interacting with other attendees.

✓ MINIMIZE DISTRACTIONS, turn off notifications, and avoid multitasking like checking emails, etc.

✓ ENGAGE WITH EVERY FEATURE available from sessions to chats to exhibit booths. All are designed to foster cross-functional learning and break down knowledge silos.

✓ BOOKMARK THE PLATFORM. Missed a session or a detail in a session you did attend? Don’t worry. The content from the National Conference on Education will remain accessible to attendees through December 2021.

DISCOUNTED REGISTRATION RATES FOR 2021

Each paid individual or team registration fee includes admission to all conference sessions and the NCE Exhibit Hall.

- Attendee Member | $499
- Nonmember Attendee | $699
- Comprehensive Registration | $969

Includes conference registration and one year of AASA membership, benefits and services

- Team Registration | $350
- Exhibit Hall Only | Complimentary

Includes access to the Exhibit Hall only, no conference sessions.
